COURSE AI USE LABEL

DormWay v1.0 | November 2026 | Also shown in the DormWay app

Blank form grants no permission. Complete with the instructor; no adoption or effectiveness is claimed.

Course / section | **Term**

Instructor / contact

Scope / assignment

Effective date / version | **Confirmed by / date**

Statuses: Allowed | Limited | Approval required | Not allowed | Required

If unresolved, retain Not specified and ask the instructor. Conditions must accompany each status.

TASK	STATUS	CONDITIONS / EXCEPTION / SOURCE
Private study / concept explanation	Not specified	
Brainstorming / outlining	Not specified	
Editing / rewriting own work	Not specified	
Coding assistance / debugging	Not specified	
Generating submitted text or code	Not specified	
Generating images / other media	Not specified	
Quizzes / tests	Not specified	
Exams, including take-home	Not specified	

Disclosure / evidence

Advance approval / record

Tools / versions

Upload restrictions

Access / cost / alternatives

Learning / independent work

Governing sources / links

Differences / clarification

Integrity / consequences / appeal

Change notice / version applies

Ask before use if instructions conflict or a task is unspecified; retain the clarification.

Disclosure does not replace permission. A summary cannot override governing instructions.

Instructor confirmation must be explicit; an automatically extracted summary is not confirmation.

Educators and students may copy/adapt this original template. Retain version/date; imply no endorsement.
